Dedication

Mr. Tim Jeanneret, the custodian of Colville High School for the past four years came from Switzerland to the United States when he was fifteen months old. He has resided in Colville for the past forty-five years.

By endeavoring to make Colville High School a more comfortable place for the students and his willingness to lend a helping hand in the decoration and cleaning up after school dances, parties and other activities, has made the students of past and present years regard him with the high esteem he deserves.

In appreciation, the annual staff of 1950 dedicate this SKOOKUM to Mr. Tim Jeanneret, our custodian.

To the C. H. S. Graduate of 1950:

The time has come to say goodbye. It has been a real pleasure to have had the opportunity to work with you. It is going to add to that pleasure in the future to watch your steps as you take your places in society and make your marks in the world. I know that Colville High School will be proud to list you among its alumni.

Here's luck. May the end of each succeeding day enable you to look back on a job well done and to look ahead with confidence to a new challenge to come.

Sincerely,

CLASS HISTORY

In September of 1947 a large group of boys and girls entered Colville High School—that was our class as Sophomores. We felt a little out of place at first, but after a few days we became acquainted with everything and started our three wonderful years in C.H.S. That year members of our class took part in many school activities, such as music groups, dramatics and athletics. The most important occasion was our Soph Hop. The theme was "I'm Always Chasing Rainbows."

While Juniors, our class was represented at the F.F.A. Convention in Kansas City, at the Journalism and Speech Festivals in Seattle, Girls State at Pullman and Boys State in Ellensburg. The Colville Key Club was host to the Key Clubs from Washington, Oregon and Idaho at the Key Club Convention in Spokane. Last, but not least, we had our Junior Prom, "Oriental Gardens."

The goal of all those years was finally reached—we were Seniors. This year we had very good football and basketball teams. The latter entered A League Competition this year. Many of our class also helped in the building of the "C" on Colville Mountain. Then as a highlight, we had our Senior Ball. Everyone enjoyed dancing under the beams of "Blue Moon."

Yes, we are Seniors and about to leave Colville High School. We have enjoyed every minute of it and now would like to thank the faculty for the help they have given us. The Senior Class of 1950 says goodbye and wishes a lot of luck to the faculty and the students of C.H.S., who we are leaving behind.

STUDENT COUNCIL

The student council headed by student body president, Mylo Lyng, is the organization that governs the schools affairs.

Each home room has a representative who takes any business the home room has to the meeting. After each meeting he makes a report on what was discussed and decided.

Committees are appointed from the council for certain duties. One committee has charge of all publicity for athletic events, student body dances and other activities. Another committee has charge of entertainment for Pep Assemblies and student body meetings.

The Carnival was a very successful function put on under the auspices of the student council for the purpose of raising money for new athletic equipment.

The student council also has charge of the annual New Year's Eve party.
